2. I will seek clarification on any aspects of the CCPA *Code of Ethics* and *Standards of Practice* that might be unclear to me.
3. I will engage in professional conduct at all times that upholds CCPA *Code of Ethics* and *Standards of Practice*.
4. When faced with ethical uncertainty, I will seek supervision and/or consultation in a timely manner, and document the related conversations held, recommendations offered, and rationale for any decisions made.

I recognize that if my conduct as a student in the Master of Education in Counselling program violates the CCPA *Code of Ethics* and *Standards of Practice*, there may be serious implications for my success in, and continuation in, the program. This includes conduct while on practicum.
